

# JOIN EUROPE'S ELECTRIC REVOLUTION

AVERE (The European Association for Electromobility) is a Membership-based organisation providing real value to our Members.

## WHAT WE DO FOR ELECTROMOBILITY

### ADVOCACY

We represent your positions towards European policymakers.

### INTELLIGENCE GATHERING

We collect and share the latest information on key policy and technical files impacting your work.

### FUNDING & RESOURCES

We help you find new sources of funding and new resources, like European projects or access to experts.

### EVENTS

We organise annual international events attended by hundreds of e-mobility experts - our Members have a spotlight place in each one.

### NETWORKING

We facilitate contact with national, European and international organisations and our extensive industry and research network.

## OUR MEMBERS

National associations from European countries including Norway, the Netherlands, Spain, Italy, Poland, Scotland and more.

Top-level companies like Tesla, Ionity, Fastned, Wien Energie and others.
